To whom it may concern:

It is my absolute pleasure to recommend Family Transitions, a division of Brown Dog Consulting Inc. as a full service real estate, marketing and evaluation firm.

My aunt became very ill in August of 2016. It was apparent that she was never going to return to her home in Long Beach NY. I live in Los Angeles and I now had the task of selling my aunt's house to help with her healthcare needs. My aunt's neighbor recommended Robert Ebel of Brown Dog Consulting. From our first conversation, I found Robert kind and reassuring with my aunt's needs as his priority.

After discussing the current real estate market in the area, we decided to renovate the house and lease it. Working with Robert Ebel and Michael Sica was such a pleasant experience. They were instrumental in all facets of our project. The team interviewed contractors on my behalf, personally emptied the house, suggested cost saving ideas and even help pick paint colors. I was consulted on all decisions and any hiccups were handled promptly. The attention to even the smallest detail was impeccable. Once the renovation was completed Robert and Michael also helped to find the perfect tenants.

I couldn't be happier with Brown Dog Consulting. They are professional, honest, dependable and extremely hardworking. Above all I appreciate their kindness and caring towards my aunt and her needs during this entire endeavor.

Please feel free to contact me should you like to discuss Brown Dog Consulting Inc.'s qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,

Wendy Valenzuela
